## FROM YOUR PRESIDENT

Hello Members and Directors!

Our Eastern and Western Nationals were held and had a lot of outstanding quality waterfowl. I'd like to congratulate all the winners at the Western National.

We had our first qualifying meet for the Buff Africans. There was a good turnout. See the video on the NEW website!

We voted on our nationals for 2017. The Eastern will be in Portage WI, in September and the Western will be at the Heart of the Ozarks Poultry Show in Arkansas in November. So start making plans for that.

Until next time,  
President Lance Ewert

## GREETINGS WATERFOWL MEMBERS,

It was a pleasure judging all of the great waterfowl at the western national in Hutchinson, Minnesota, some awesome classes of birds on exhibit. I'm currently preparing for the APA National in Columbus, Ohio. Hope to see everyone there. We are working on getting the Silver Muscovy in the standard as well, also our district meet is coming up at the Oklahoma State Poultry Federation. It's the 100th annual show in December. It looks to be a great show! I hope to see you at the shows!

Thanks,  
Jacob Bates, IWBA VP

The Southwest District meet was held on October 22nd at the Rocky Mountain Feather Fanciers Traditional show in Brighton, CO. The Champion Waterfowl, Champion Duck and Champion Bantam Duck was a White Call old drake shown by House of Champions/Mike Johnson. The Reserve Waterfowl, Reserve Champion Duck and Champion Light Duck was a Silver Welsh Harlequin young drake shown by Clare Shier. The Champion Goose, a Sebastopol old gander was shown by Renae Bloomer who now wants to join the IWBA. The Reserve Champion Goose, an Egyptian young gander was shown by Joshua Bell who is not an IWBA member. There were very large classes of Saxony and Welsh Harlequins. The best part of the RMFF double show was the 49 junior exhibitors, which was significantly more than the number of adult exhibitors. We need to encourage and mentor young exhibitors. Many of them are now showing good quality birds. Youth showmanship contests are increasing in the number of participants. The kids are very enthusiastic and eager to learn. As our

adult exhibitors and judges age, the young exhibitors are the future for the waterfowl fancy. We need to help them wherever possible.

The Four Corners show in Farmington, NM was canceled this year. David Stark, 55, past away from cancer this fall. His parents Gene and Bert Stark are unable to continue this long running show. Our deep sympathy goes to Gene and Bert. The Stark family has been a tireless supporter of the poultry fancy for many years. They all worked to support and encourage kids to raise and show exhibition birds.

Please note my address change from 21538 to 21518 W. 56th Ave. After 42 years in the same house, we moved next door.

# MASTER BREEDERS 2014

(Updated November 2016)

Members here you will find the updated Master Breeder achievements. Please be advised that the last update was in 2011. The 2014 update does not include the years from 2011 to 2014. If anyone has information from those years( 2004 thru 2008 master exhibitor points) I am happy to accumulate the missing years.

(Remember that Master Breeder awards cover the 7 years before the accumulation year. Master Breeders have finished in the top 2 exhibitors for that breed for 5 out of 7 years).

Respectfully, Val Barden

The International Waterfowl Breeders Association would like to congratulate the following recipients for their dedication to waterfowl and their achievement of the MASTER BREEDER AWARD. I apologize for the partial list from last month. Bear with me as I get my act together.
