International Waterfowl Breeder's Association

To Promote the Breeding &
Exhibition of Waterfowl

<http://www.iwba.org>

General Information

Lou Horton founded the International Waterfowl Breeder's Association in 1971. The IWBA has an excellent newsletter featuring articles on: conditioning birds for breeding and show, breeding setups, pen construction, and more. The newsletter is published four times a year in the spring, summer, fall, and winter. All members are encouraged to send in pictures or articles for the newsletters.

The IWBA also provides a Junior Membership program to encourage young people to raise and exhibit purebred waterfowl. Youth 16 and younger are eligible for a Junior Membership. All Juniors are encouraged to send articles, pictures or questions to be included in the newsletter.

All Officers and Directors can be contacted to place IWBA sanctioned meets at shows in the United States or Canada. The IWBA sponsors three National Meets, an Eastern, a Western, and a Canadian each year. Each District has one District meet each year, and State and special meets
